Note to the Regional Manager, Regional office, Mandya Region, Mandya

SUB: Request for Appointment Business Correspondent (BC) Supervisor on contract basis at Nagamangala & Pandavpura Center.

A Business Correspondent (BC) Supervisor plays a critical role in overseeing the operations and effectiveness of Business Correspondents within a financial services framework. Business Correspondents act as intermediaries, bringing banking services to underserved and rural areas. The BC Supervisor ensures that these correspondents perform their duties efficiently and in compliance with organizational standards.

Recently one of our BC supervisor assigned to Pandavpura Taluk has resigned his job due to personal reasons and we don't have any BC supervisor in Nagamangala Taluk too to monitor our existing BC agents, which was vacant since last one year.

At present we have total 285 active BC agents and 6 BC Supervisor. As per the Business Correspondent Engagement Policy for every 35 BC agents there must be 1 BC Supervisor. Based on number of business correspondents working in our region, at present it is necessitated to appoint 2 BC supervisors in our Region for Mandya District combined to monitor individual business correspondents as below,
