Modi Road, Gandhi Chowk,
Jhunjhunu - 333001, Rajasthan, India.**

(Here in after called 'The Employer' which expression shall unless repugnant to the context or meaning thereof include its successors and assigns) of the ONE PART.

And

(Name of the Architect) having its office at-----

(Hereinafter called the Architect, which expression shall, unless repugnant to the context or meaning, include its successors and assigns) of the OTHER PART.

WHEREAS the Employer intends to (name and nature of the work), "AND whereas the Employer is desirous of appointing the said Architect for the said work design (hereinafter called the said works') and issued a letter of confirmation/intent No. Consequent upon their selection.

AND WHEREAS, for the day to day supervision, monitoring and management of the said works, the Employer has engaged services of as Project Management Consultant.

NOW, THEREFORE THIS AGREEMENT WITNESSETH THAT the said (Name of the architect) are hereby appointed Architect for the said works on the following terms and conditions.

Architect's Services

1. Sketch Stage

- 1.1 Take Employer's instructions regarding the requirement of the works as a whole.
- 1.2 Visit the site.
- 1.3 Examine Legislation. Code and Standards (including lease agreement with municipal and other related local bodies) and bring to Employer's notice salient aspects that may affect the project.
- 1.4 Prepare sketch designs and plan including preparation of detailed area statement for FSI/FAR ad overall built-up area of building and carryout conceptualizing, and plan of all floors, and carry out necessary revision till the sketch designs are finally approved by the Employer. Prepare approximate cost estimates based on Sq. mt. Sq. ft. rates to enable the Employer to take a decision on sketch design and approve the same.
- 1.5 Advise the employer on the appointment of PMC/Site Engineer, Proof consultant and other consultant wherever necessary and special services including sewage treatment plant to be provided in the project, designing of guard station and obtain permission of

Bank of Baroda
Jhunjhunu Region

project sign board inclusive of preparation of Prequalification documents/Tender Documents.

- 1.6 Obtain from municipal Authority or prepare a detailed topographical survey of the site to a scale and contour interval determined by the Architect. The survey shall include all the necessary data related to existing Public utility Services.
- 1.7 Insurance policy to be taken during progress of work, designing of guard station and obtain permission for project sign board inclusive of preparation of pre-qualification documents.
- 1.8 Submit the approved drawings to Municipal Authority and other concerned authority and obtain their provisional approval in respect of building plans and services including sanitary, water supply, drainage, electric and fire-fighting, civil aviation, tree cutting EIA Clearance etc. or any other authorities from whom permission is essential for the successful commencement/completion of the Project and furnish two sets of each such approved drawings/certificate to employer.
- 1.9 Arrange if required to prepare soil investigation like trial bores, or test pits, load bearing test and such other tests required to provide essential design data for sub-soil condition and submit soil investigation report to the employer. The cost of carrying out soil investigation shall be borne by the employer.
- 1.10 Prepare with assistance of various consultants a sketch scheme report and estimate of cost of works and services in sufficient detail to proceed with working drawings to prepare a budget forecast. Submit budget forecast to the Employer.

2. Working Drawing Stage

- 2.1 Advise Employer and obtain approval of the Employer to form of Contract and method of placing the Main Contract as also obtaining approval for nomination of Sub-Contractors/Suppliers.
- 2.2 Provide the Surveyors, Engineering Consultants and other Consultants with all the necessary information/co-ordination to allow them to perform their specialist work.
- 2.3 Prepare necessary drawings, working drawings, specification, schedules of quantities and finalize the tender documents.
- 2.4 Prepare complete detailed working drawings using latest materials to provide modern look including large scale designs, making designs and calculations and drawings for work etc. as may be decided by the employer and working out specifications and schedules of quantities. Describe the whole project adequately for the purposes of placing the Main Contract by the approved method. The Architect shall get all these drawings, details and quantities with block estimates approved by the employer.
- 2.5 Prepare detailed tender documents for works complete with articles of agreement, special conditions, general conditions of contract, specifications, Drawings Schedule of Quantities, Time and Progress Charts and any other material necessary for completing the tender documents and get the same, approved by the employer including detailed analysis of rates based on market rates, time and progress charts etc.
- 2.6 Prepare for the use of the employer, Consultant and contractors six copies each of all drawings, specifications or other particulars and such further details and drawings as are necessary for the proper execution of the work.

**Bank of Baroda
Jhunjhunu Region**

2.7 Obtain final approval/required permission from statutory bodies if required and other interested parties.

3. Construction Stage

3.1 Conduct the approved method of placing the main contract on behalf of the Employer.

3.2 Analyses report on the result of the approved method of placing the Main Contract, and make recommendations to the employer to assist in the final selection of the Main Contractor.

3.3 After Employer approves works order, advise the Employer on Contractor's work progress schedule and other comments on the same.

3.4 Assist Employer in preparing select list/pre-qualification list of contractors including making visits to the contractors works jointly with the employer if and as desired/required, invite the tenders for various trades in submitting assessment reports and recommendations on comparative statements, assessment reports, together with recommendations, specifying abnormally high and low rated items based on proper analysis of rates with constants from an approved standard hand book and market rates of the material and labour for major items of works costing about 90% of the estimated cost of the work. All commercial condition shall be evaluated in financial terms instead of merely saying whether a condition may be accepted or not. When conditions are not susceptible of evaluation, the alternative procedure of calling all the tenderers for negotiation and asking them to submit a final bid based on the terms & conditions acceptable to the Bank may be adopted. Assist the employer if required to conduct negotiation with tenderers where necessary and after the Employer's decision on the tender, prepare contract documents and get them executed by the concerned Contractors after obtaining Employer's approval for the contracts.

4. Supervision Stage

4.1 Comment and scrutinisation on shop drawing submitted by Contractors/Suppliers with a view to ensure that the same fits in its environment.

4.2 Give day to day supervision and inspection as may be necessary for quality and surveillance of works as necessary to ensure proper and timely execution of the said works as per drawings and specification and effect smooth progress by prompt supply of drawings and decisions and co-ordination with all the agencies engaged in the design, engineering and execution of various items of work as required.

4.3 Architect scope also includes Periodical Supervision of construction work, preparing of minutes of meetings, site reports, maintaining all the site and lab records, measurement at site, MB, verification and certification of Bills of Contractor etc. as per Bank's work manual, CPWD etc. guidelines for completion of work.

4.4 Suggest modifications if any due to site conditions or otherwise and give modified drawings, specifications and costs, if required.

Bank of Baroda
Jhunjhunu Region

Assume full responsibility for correctness of plans, design through structural consultant and designs for all services and ensure that the constructions and installation is generally according to design, drawings, and specification and as per terms of contract.

4.5 Based on site visits, issue monthly certificates' confirming that the work carried out is generally as per drawings and specifications.

5. Certify Accounts

5.1 Certify that the work is carried out as per drawings and tender specification. Also to certify that quality of work has been maintained.

5.2 Advise the employer in connection with the final settlement of the initial rate able value of the building and tender advice in the matter to the Employer or other agency appointed by the Employer. Appearing if required before the Municipal Assessor or such other authorities in connection with the settlement of the rate able value of the building and tendering advice in the matter to the Bank.

5.3 Check and submit for the use/reference of the Employer, two complete sets of working drawings as 'As built drawings'. Out of these one set will be in reproducible tracing film. One soft copy also to be submitted to the employer.

5.4 Obtain occupation and final completion certificate and secure permission of Municipality and/or all other authorities for the occupation of the building and assist the Employer in obtaining refund of the deposits, if any, made by the Employer to the Municipality or other authorities.

5.5 Issue No Objection Certificate to Employer for refund of the retention money to the contractors as per terms of relevant contract after due certification .

5.6 Assist Employer to reply to queries of technical audit, CTE of CVC in case of defective or sub-standard work or any irregular/excessive payment and assist to get defects rectified and/or recover the irregular payments.

5.7 Assist Employer in case of dispute with contractors or disputes arising out of said project execution as well as in case of arbitration pertaining to project and protect the interest of the Employer.

5.8 Any other service incidental/connected with the said works usually and normally rendered by Architect and non-referred in any of the items referred to above (except day to day supervision and administration of contract).

6. Conditions of Engagement

6.1 The Architect shall submit to the employer sketch plans, detailed plans, cost estimates, tender documents, etc. within the period stipulated in the schedule hereto annexed.

6.2 The Architect shall exercise all reasonable skill, care and diligence in the discharge of duties hereby covenanted to be performed by them and shall exercise such general superintendence and periodic inspection with regard to the said works as may be necessary and to ensure through the working drawings and specification aforesaid that the work is free

Bank of Baroda
Jhunjhunu Region

from defects and deficiencies. At the end of the defects liability period and upon receipt of a report that the contractors have rectified all defects and there will be no further sums to be deducted from retention money during the period of the contract the Architect shall issue "No Objection Certificate" to the Employer for refund of the balance retention money to the contractors as per the terms of the relevant contract.

6.3 Whenever the work is examined by a Technical audit team including that of the Chief Technical Examiner of the Central Vigilance Commission and if it brings to notice any defective or substandard work or any irregular/excessive payments, the Architect shall recover the irregular payments, and also shall assist the employer to reply to the said technical auditor's/examiner's queries. In case of disputes with contractor(s) or dispute arising out of the said project execution as well as in matter of arbitration pertaining to project, the Architect shall assist the Employer from time to time in drafting replies in consultation with legal advisers and protect the interest of the Employer.

6.4 The Architect can make deviation, alternation or omission from the approved design only after obtaining the written consent of the Employer. The architect shall not undertake, execute or carry out any variation or extra items of work in excess of Rs. 10,000/- or such other higher amounts authorized as above shall be referred to the Employer together with the reasons for making deviation and furnishing an analysis of the extra cost involved thereby. All orders given by the Architect for any authorized deviation from the contract documents shall be in writing.

6.5 During the progress of work, whenever an excess over sanctioned cost is anticipated and/or has already occurred, the Architect shall immediately report the same to the Employer with adequate justifications for the same and obtain Employer's approval thereto.

6.6 After all the works are awarded, the Architect shall revise cost estimate for Employer's approval.

6.7 The Architect shall on the completion of the work, supply to the Employer free of cost the complete set of original tracing for Architectural drawings and services drawings and one set of prints of the same sufficient to show the main lines of water and drainage pipes, electrical installations and other essential services and also assist the Employer in taking the inventory of all fittings and fixtures in the building. The architect shall, if so required by the Employer supply extra copies of all such drawings and the cost of such extra copies shall be reimbursed by the Employer to the Architect. Further, the Architect shall verify and confirm that identification marks are made on all service installations/cables/wiring etc. for easy identifications to carry out maintenance jobs.

6.8 During the preliminary stage the Architect shall visit the site, collect all the relevant data, take site particulars, local authority's building by laws, prevailing prices for the building materials and labour wages, etc. and forward the same to the Employer also.

6.9 The architect shall co-ordinate all their activities with other consultants, if any, separately appointed by the Employer and shall help them and other consultants so appointed by the employer to prepare a comprehensive programme of work, as also help the contractors and arrange to have the work completed in the expeditious manner and in accordance with the programme drawn up. For the purpose, the Architect will arrange weekly/fortnightly meetings of all the consultant's, contractors/sub-contractors, Architect and Employer and prepare minutes of the discussion/instructions, at such meetings and co-ordinate the work of

Bank of Baroda
Jhunjhunu Region

the various contractors/sub-contractors, Architect will furnish copies of such minutes to all parties concerned.

6.10 The Architect shall engage qualified and competent/reputed Consultants to assist them in preparation of design and details for required services. The Consultants will be appointed with the written approval of the Employer. The fees payable to these Consultants shall be borne by the Architect. The architect shall be fully responsible for the design and soundness of works of such Consultants and shall also co-ordinate the activities of various consultants and local Architects. The Architect shall not terminate the services of any Consultants engaged by them without the consent of the Employer in writing and the Architect shall give proper justification for such termination to the Employer. The Bank shall not be liable to pay any amount to the terminated Consultants as well as to the new Consultant, if any.

6.11 Various bills payments for the works as per contract shall be checked and shall be certified by the Architect shall be subject to review/endorsement and counter certification as per proforma by the Architect. Architect shall, provide full details of bills and measurement, duly checked and Bank at his discretion shall check at random bills, rates, amounts upto about 25% of the measurements, to enable him to satisfy himself, while endorsing certificate bills already certified. The Architect shall endorse the all certification in the relevant measurements Books also.

7. Termination of Agreement

7.1 Either party herein may terminate the agreement at any time by giving a written notice of two months to the other party. Even after the termination of agreement, the Architect shall be liable and be responsible for due certificate/approval of any bills submitted by the contractors at any time in respect of the works executed till such termination. If any winding up proceedings are contemplated or initiated against the Architect, the Employer shall be entitled to terminate the agreement and entrust the work to any other Architect.

7.2 If the Architect fail to adhere to the time schedule stipulated in the schedule hereto annexed or the extended time which may be granted by the Employer in his sole discretion.

7.3 In case of termination of agreement, the Architect shall not be entitled to fees or compensation except the fees payable to them upto the state or work actually done which shall be decided and determined by the employer. In the event of Architect not agreeing with the Employer's decision, the same shall be referred for settlement by arbitration as provided hereinafter.

7.4 In case of termination of agreement, the Employer may make use of all or any drawings, estimates or other documents prepared by the Architect, after a reasonable payment upto the stage of work done for the stages of the Architect for preparation of the same in full as provided herein. Provided always that all the sanctions and approval plans/designs and other drawings shall remain the property of the Employer and the same shall be surrendered by the Architect to the Employer within ten days from the date of such termination, without demur.

7.5 If it is established that the Employer has to pay any extra amount due to cost over-run of the project, faulty description of tender items on the part of the Architect, the Employer may recover such extra amount from the fees due to the Architect as provided in Section 73 of Indian Contract Act 1872 and Section 30 of the Architects Act 1972, provided always their

Bank of Baroda
Jhunjhunu Region

such damage or loss recoverable from the Architect shall not exceed 20% of the fees payable to them under this Agreement.

8. Transfer of Interest

The Architect shall not assign, sublet or transfer their interest in this agreement, without the written consent of the Employer.

9. Scale of charges and mode of payment

9.1 The employer shall pay to the Architect as remuneration for the services rendered by the Architect in relation to the said works and in particulars for the services herein mentioned, a fee calculated at the (rate of percentage) () (Fee quoted in words ,Fee will be filled at time of agreement between Bank and Architect) of the actual cost of work/accepted tender cost whichever is less. The said fee being hereinafter called as "Basic Fee". In case there is an escalation in the actual project cost over the accepted tender cost, the payment to the Architect shall be worked out as below:

- a) 100% of the basic fee on the accepted tender cost plus
- b) 50% of the basic fee on the escalated cost over & above the accepted tender cost.

Subject to a ceiling of 110% of the Basic Fee worked out on the accepted tender cost and shall be paid as indicated in sub-clause (9.3) of this clause.

Note: Actual cost of work/ accepted tender cost considered for calculating consultancy fee for Architect will not include GST Amount. No Consultancy Fees will be given on GST amount of actual cost of work /accepted tender cost.

9.2 If the employer appoints independent consultants for the work pertaining to special installations like air-conditioning, lifts, wet risers (Fire-fighting System) etc. the Architect shall not be entitled to any additional/extra fees on the total value of such installations.

9.3 The fees set out in Clause (a) hereinabove shall be initially calculated and paid on the basis of the estimated values of the entire work namely _____ as per preliminary estimate submitted by Architect which will be further calculated and paid (i) on the basis of actual tender cost for various works when finalized and (ii) finally on actual cost of work paid to the various contractors as per the agreed terms and conditions of contract.

9.4 The Employer agrees to pay the Architect reimbursable cost he incurs for actual expenses in dealing with (i) Arbitration with contractor if any (ii) Mutually agreed payments, if required to work beyond various contract periods specified and (iii) T.A./D.A. as admissible to 1st Class/Grade I Officers for out of City works.

NOTE:

For travel outside (place of the project), with due authorization of the Bank, the Architect shall be paid as under:

- (a) For partners, associates, senior architects and consultants, airfare by economic class/first class A.C. coach fare both ways (on production of receipt) or actual whichever is less + Rs. 1500/- per day as diem allowance.
- (b) For other staff 1st class/2nd AC train fare both ways (on production of receipt) + Rs. 1000/- per day as Diem allowance.

**Bank of Baroda
Jhunjhunu Region**

T.A./D.A. Clause may be reviewed in terms of Consultant visit

If a consultant from outstation is given a job he will not receive any payment for visit to site. However if a consultant visits out station for seeking clearance from concerned department or for some other works specifically assigned by the Bank, Bank may pay T.A./D.A.

9.5 Service Tax/GST on services rendered by Architect levied by Central/State Government shall be borne by the Employer.

10. Method of Payments:

The employer shall pay fees to the Architect in stages as per mode of payment to architect, as per Annexure II.

11. Visit of the Site:

The architects of their Senior Executives or their Consultants shall visit the site fortnightly or as frequently as the works require. For this, no separate charges shall be payable by the Employer.

The observations of the Architect/Consultant shall be passed to constructing agencies, under advice to the Employer.

12. Arbitration:

If any dispute, differences or question shall at any times arise between the parties as to the construction of this Agreement or concerning anything herein contained or arising out of the agreement or as to the rights, liabilities and duties of the parties hereunder except in respect of matters for which it is provided hereunder that the decision of the Employer is final and binding, the same shall be referred to arbitration and final decision after giving at least 30 days notice in writing to the other (hereinafter referred to as the "Notice for Arbitration" clearly setting out the items of dispute) to a sole arbitrator who shall be appointed as hereinafter provided. For this purpose of appointing the sole arbitrator referred to above, the employer shall send to the Architect within thirty days of the "Notice of Arbitration" a panel of three names of persons who shall be presently unconnected with the organization of the Employer of the Architect.

The architect shall, on receipt of the names as aforesaid, select any one of the persons so named to be appointed as the sole Arbitrator and communicate his name to the Employer within 15 days of receipt of the names. The Employer shall thereupon without any delay appoint the said person as the Sole Arbitrator. If the Architect fail to communicate such selection as provided above within the period specified, the Employer shall make the selection and appoint the sole arbitrator from the panel notified to the Architect.

If the Employer fails to send to the Architect the panel of three names as aforesaid within the period specified, the Architect shall send to the Employer a panel of three names of persons who shall be unconnected with either party. The Employer shall on receipt of the names as aforesaid, select any of the persons and appoint him as the Sole Arbitrator. If the Employer fails to select the person and appoint him as the Arbitrator within 30 days of the receipt of the panel and inform the Architect accordingly, the Architect shall be entitled to appoint one of the person from the panel as Sole Arbitrator and communicate his name of the Employer.

**Bank of Baroda
Jhunjhunu Region**

If the Arbitrator so appointed is unable or unwilling to act or refuses his appointment or vacates his office due to any reason whatsoever another Sole Arbitrator shall be appointed. The arbitration shall be governed by the Arbitration & Conciliation Act 1996 as amended from time to time. The award of the arbitrator shall be binding and final of the parties. It is hereby agreed that in all disputes referred to the Arbitration, the Arbitrators shall give a separate award in respect of each dispute or difference in accordance with the terms of reference and the award shall be reasoned award. The fees, if any of the Arbitrator shall, if required to be paid before the award is made and published, be paid in equal proportion by each of the parties. The cost of the arbitration including the fees if any, of the Arbitrator shall be borne and paid by such party or parties to the dispute in such manner or proportion as may be directed by the Arbitrator in the award. The Employer and the Architect also hereby agree that the arbitration under this cause shall be a condition precedent to any right of action under the contract with regard to the matters hereby expressly agreed to be so referred to arbitration.

The arbitrator or arbitrators or Umpire, as the case may be, will be fellows of the Indian Institute of Architects or Fellow of Institute of Engineers (India). The award of the Arbitrator(s) or Umpires, as the case may be, shall be final and binding upon the parties to the Arbitration.

Performance Bank Guarantee

The Architect will submit to Bank of Baroda FDR or performance Bank Guarantee in name of Bank for an amount of Rs. 15,000/- within 30 days of the date of agreement valid up to completion of Project or 1 years whichever is later.

Professional Liability Insurance Clause:-

The architect shall obtain an insurance policy covering Professional Liability Risk to the extent of **Rs. 1.5 lacs** and endorse such policy in Bank's favor and/or otherwise make the claim of any under the policy payable directly to the Bank by the Insurance Company till the completion of the project or 2 years whichever is later.

Each Party to this agreement irrevocably agrees that court of Jhunjhunu (Rajasthan) shall have exclusive jurisdiction to hear, settle and/or determine any dispute, controversy or claim arising out of Orin connection with this agreement including any question regarding its existence Validity, formation or termination.

IN WITNESS WHEREOF the parties hereto have subscribed their respective hands hereto and on a duplicate hereof at the place and on the day, month and year hereinabove first mentioned.

Dear Sir,

Re: Appointment of Project Architect for Construction Project-Currency Chest at Jhunjhunu

Ref: Your NIT dated

With reference to the above, our Professional fee for the above project for the services to be rendered as per tender/Model Agreement will be _____% (_____ percentage) of the actual cost of work/accepted tender cost, whichever is less.

In case there is an escalation in the actual project cost over the accepted tender cost, the payment to the Architect shall be worked out as below:

- a) 100% of the basic fee on the accepted tender cost plus
- b) 50% of the basic fee on the escalated cost over & above the accepted tender cost.

Subject to a ceiling of 110% of the Basic Fee worked out on the accepted tender cost and shall be paid as indicated in this clause.

Note: Actual cost of work/ accepted tender cost considered for calculating consultancy fee for Architect will not include GST Amount. No Consultancy Fees will be given on GST amount of actual cost of work /accepted tender cost.

Thanking you,
Yours faithfully,

Date
