2	3	Contract Period The bank shall enter in to an agreement with the selected bidder for a period -5- years from the date of Purchase Order. However validity of the certificate should be 7 years post deployment	Contract period is not possible for 5 plus 2 years extension, generally OEM do a Multi Year Plan of 3 years only and we can enter in the same only. There is no such option of 5 years.	No Change, Vendor may quote for five years and do arrangements with OEM for renewal during the intervening period as per their periodicity.
